Шпигель 320x230 мм

Численник 292x150 мм
Подложка 320x210 мм

The image is a technical drawing of a calculator and its base plate. The calculator is represented by a light gray rectangle with a black border. Above the calculator is a horizontal row of 28 small circles, and below it is a horizontal row of 28 small circles. The base plate is represented by a white rectangle with a red dashed border. The dimensions are given in millimeters (мм).
